An action-packed fantasy adventure game taking place in a refreshingly dark world inhabited by dangerous beings. The universe on the verge of collapse, and its power source is the fruit called "Odyssey." The fruit contains the ability to control and use the supernatural power of beasts, and you, the Odin Knight, who have been chosen to become a new lord and wield the power of the fruit, embark on an adventure to save the lands of Zordica. With your unmatched physical strength and determination, and under the guidance of a fairy named Mila, you will venture into the lands beyond, visiting the wilds and exploring the deep, dark forests with your partner and the fairy. Once you find your way into the deepest of dungeons, you will fight monsters and monsters, take them down and capture their treasures

Elden Ring Features Key:

NEW VISCERAL ACTION RPG Fight in real time. Learn the unique classes, divide into teams, and complete the challenges of defeating your enemies.
High Quality Graphics with Easy Controls High-quality graphics and harmonious, high-frequency movements.

Variety of New Playable Characters Dedicate yourself to your power and become a fearsome character and fervent rival.

First RPG in which you can Customize Your Character Embark on your own adventure. Study the opposing characters and craft your play style to excel in battle.

Larger World than Our Previous Game, THAMELANDS CALM You will meet other characters in the large world, allowing you to exchange thoughts and influence each other's fates.

A New Lost Continent—Lands Between—Inspired by the Multiplayer Experience of World of Warcraft

A New Will Mode where You Play Through the Re-Imagined Story Relive the story of a new protagonist, an Elden Lord lost in the Lands Between.

Story that Takes Place in a Multilayered Dungeon: The Elden Chamber

The Start of a Whole New World in the Story: The Secret Passage

Submerged in Slow Motion Enter the monster's world and immerse yourself in its actions. It will leave you breathless.

A RE-IMAGINED CENTRAL LIBRARY SYSTEM (Link Only) Quests and other content are first created in the Central Library. You can then retain the items and consult them offline at any time.

A NEW LINEMODE SYSTEM Rise Entirely on Your Feithen! You can achieve the most splendid results even if you are not the best at fighting.

A NEW DEFAULTS SYSTEM—Become More Powerful Increase your power through defeating others in battles to become the strongest character!

A NEW ROLE-CODE SYSTEM Break through the gate and become the chieftain of a small village!
