Game Contents: 1) Trial Mode 1) Players who purchase the 4 Gem Packs are entitled to play for free in Trial Mode. This Trial Mode is unique compared to other games in the series. You can freely roam around large levels, which allow you to explore the world at your own pace. However, at the end of each game, you will be teleported to the opposite side of the world, and no matter how much time you spend in Trial Mode, your level will be reset to Zero. 2) Dungeons 1.30) Monsters: Create your own dungeon and challenge monsters at will! In Trial Mode, the rules are simple, but the dungeons are challenging. 1.40) Character Customization: Change your character's look, and even the type of weapon and armor you wear. In Trial Mode, characters equipped with special abilities can change their appearance by morphing a weapon into a sword, a bow, a spear, or even a club. 2) Monster Summon: Challenge monsters from the game and summon them in the Worlds Between to strengthen your party. 3) The Answer to It All: The Elden Ring is a powerful artifact, and by using it, you can obtain high-end items that have been stored in the 20,000 years of history of the game. 4) An Epic Drama in Fragments The novel of the same name "The Elden Ring, and the Wars that Came Before" is a novel that tells the history of the Elden Ring. In the game, as you play, you will be able to read and enjoy the novel. If you purchase a Gem Pack, you are also able to play Trial Mode Free of Charge. From Feb. 25 (21:00 UTC), we will be patching the game and reducing the price of the 4 Gem Packs from 400 Gems to 300 Gems. Please be advised that this game contains: • Sexual Content • Violence • Alcohol • Nudity

## **Features Key:**

**A wide range of Open-ended, Peopledom:** a PvP-type scene where you can swing your sword against rival champions and learn skills in the case of disaster.

**Healing and Protections:** when you come in contact with other characters, you can feel the spiritual energy that flows between them, so if you have been hurt, characters that your class interacts with will be of assistance in providing healing and protection. Moreover, you can feel the wards and protections of other characters if your class is of a protective nature, and healing and a variety of help is on hand if you have fallen into a situation where you cannot defend yourself.

**Various Equipment and Skills to Produce Build:** the strength of a character can be increased by equipping a wide variety of equipment that enables powerful abilities.

**A Variety of Alliance and Class Builds:** not only can you have a diverse skillset on your character, you can likewise combine your equipment so as to form a quintuple team for increased effectiveness.

**Fight Powerful Enemies through Challenging Sites:** in areas where there are majestic opponents, you will have the opportunity to maximize the power of the special weapon, armor, and magic that you or your class has been given on your character.

## **Tranquil Sea Key features:**

- **A Wide World:** a large world where the surroundings affect the players directly.
- **Enter a World of Decoration:** 8 centuries ago, the entire world of the Lands Between vanished. Ten years later, a devastated world was being restored by human hands. But, even after all that, the world reeked of decay. The pollution from the towns and villages that were past their prime, the countless dead lying in the main roads, and the bizarre transformation of the landscape, which was plagued with giant corpses and giant insects. There was still so much to discover.

**The Future of PokemonTAMEDEMOchments is the Kami of Yu Yatsu Island, the protector of the byun-loving Pokemon species of the Lands Between. That's me! Also, a bratty squirrel that appears whenever**
