## System Requirements For Freaky Burn:

8-core Intel or AMD CPU 1GB video memory Intel HD graphics 5000 or greater Windows 10 Version 1903 or greater Now with the Firestorm 1.3.1, we've tweaked the ability to switch channels to be much faster than before. You can now quickly switch to a new channel, without waiting for the animation to start. We also moved the starting channel settings from a separate slider (set via right-clicking the main menu) to being in the same tab as the animation playback controls. There is still a separate
